

Jamie Munn

Jamie Munn felt Lockerley Water Farm was special from the moment he drove through the gate. He became a Trustee in 2009 for Hampshire Christian Trust recently but has always had a strong commitment to the work that is being done there. From being a camper to a senior worker he always enjoyed working on the site often shadowing his dad who was also a trustee. He has been encouraged by the work that is done by the different camps occupying the site and wants to see the facilities well kept and user friendly.

Jamie grew up in a Christian family and on his regular trips to Ghana with Farm 4Life re-dedicated his life to Christ and there met his future wife who is also a Christian.
